Elvira

Costa del Sol

Spain

Bedroom: 3

Bathroom: 3

Impeccable charming duplex penthouse situated in an excellent location in the heart of the popular Jardines de Don Carlos urbanization, just 100 from Elvira's main beach.

The bright living room and dining room with large covered terrace offer views of the garden and pool. The fully equipped kitchen is spacious and has a laundry room.

On the same level there are two bedrooms and two bathrooms / one en suite / The upper level has the master bedroom, with en suite bathroom and open private terrace.

The duplex penthouse is with marble floors, has air conditioning, alarm, large underground apartment and storage room.

This gated Andalusian-style complex has communal swimming pools with exotic gardens, swimming pool and gym. This property offers the possibility of enjoying an exotic and quiet environment all year round, in addition to being close to the beach and a 5-minute walk from the many services of Elvira.
